SNAPS FRA SKOLEÅRET

Tegn eller skriv om nogle af oplevelserne du har haft med dine klassekammerater i dette skoleår.

The page features a collection of ten hand-drawn rectangular boxes with rounded corners, arranged in a non-linear fashion. Each box is outlined with a thick, colorful border. The colors used for the borders are green, orange, blue, yellow, brown, red, and light green. Scattered around the boxes are several decorative icons: a red heart at the top center, a blue musical note in the middle, a yellow star on the right side, and another red heart at the bottom left. The entire page is enclosed within a dotted-line border.

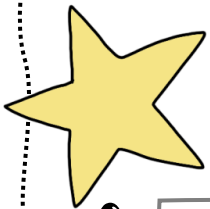

DET NYE SKOLEÅR 2021-2022

Det glæder jeg mig til i det nye skoleår:

A large rectangular area with a wavy top and bottom border, containing several horizontal dotted lines for writing.

Fem ønsker for det nye skoleår. Det kan være faglige, sociale eller andre ønsker:

Five numbered horizontal boxes for writing wishes, numbered 1 through 5 on the left side.
