# SNAPS FRA SKOLEÅRET

Tegn eller skriv om nogle af oplevelserne du har haft med dine klassekammerater i dette skoleår.

The page features several hand-drawn rectangular boxes in various colors (green, orange, blue, yellow, pink, brown) arranged in a cluster. The boxes are intended for students to write or draw about their experiences with classmates. The page is decorated with several icons: a pink heart at the top center, a blue musical note in the middle, a yellow star on the right side, and another pink heart on the left side. A yellow star is also located at the bottom center. The entire page is enclosed in a dotted border.

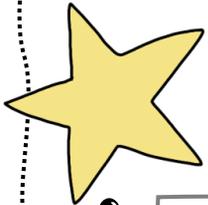

# DET NYE SKOLEÅR 2025-2026

Det glæder jeg mig til i det nye skoleår:

A large rectangular area with a wavy top and bottom border, containing seven horizontal dotted lines for writing.

Fem ønsker for det nye skoleår. Det kan være faglige, sociale eller andre ønsker:

A list of five numbered boxes for writing wishes. The numbers 1 through 5 are written in large, bold black font on the left side of each box. The boxes have wavy top and bottom borders.
