The Fourth of July is also known as Independence Day. It is a federal holiday celebrated in the United States. On July 4th, 1776, the Continental Congress approved the Declaration of Independence. The Congress voted to declare independence from Great Britain's rule on the 2<sup>nd</sup> of July, but the declaration was not published in papers until two days later, the 4th of July. The thirteen American colonies were now separated from Great Britain.

The Statue of Liberty is associated with Independence Day.

The adoption date of the Declaration of Independence is engraved in the tablet in her left hand.

#### Facts:

- Both John Adams and Thomas Jefferson died on the 4<sup>th</sup> of July
   1826. They both signed the Declaration of Independence.
- $\circ$  Around 150 million hot dogs are consumed by Americans on the  $4^{th}$  of July.

The Declaration of Independence was signed by 56 men.

## Traditions in the US

Independence Day is traditionally celebrated with picnics, barbeques, outdoor activities, parades, and fireworks with friends and family. Decorations are usually the colors of the American flag. Many communities arrange parades accompanied by patriotic songs, fireworks, and eating competitions.
