Bøjning af adjektiver

Adjektiver bøjes i tre grader.

- Fx My brother is **old**
 My brother is **older** than me
 My brother is my **oldest** sibling

Adjektiver gradbøjes enten ved tilføjelse af -er og -est eller more og most

- Fx **Big, bigger, biggest**
 Comfortable, more comfortable, most comfortable

Hovedregel 1:

Adjektiver med **én stavelse** gradbøjes ved tilføjelse af -er og -est

Hard, harder, hardest

Hovedregel 2:

Adjektiver med **to stavelser** gradbøjes ved tilføjelse af more og most

Careful, more careful, most careful

Hovedregel 3:

Adjektiver med **tre eller flere stavelser** gradbøjes ved tilføjelse af more og most

Important, more important, most important

Undtagelser:

Adjektiver med **to stavelser** der ender på **-y** gradbøjes næsten altid ved tilføjelse af **-er** og **-est**

Fx Happy, happier, happiest

Adjektiver med **to stavelser** der ender på **-er**, **-el** og **-ow** kan gradbøjes både ved tilføjelse af **-er** og **-est** og **more** og **most**

Fx Clever, gentle, narrow

Det samme gælder for ord, som har tryk på sidste stavelse

Fx Polite, profound

Uregelmæssig bøjning:

Nogle adjektiver bøjes uregelmæssigt. Dette gælder eksempelvis:
